

ROSTREVOR
COLLEGE

TERM 1, WEEK 11 FRIDAY 15 APRIL 2016

Absentee line: 8364 8387

NEWSLETTER

College Prefects, Rostrevor College

FROM THE **HEAD PREFECT**

Dear College Community

We look back on what a success term one has been in countless areas. We congratulated and dismissed the 2015 graduates on their outstanding ATAR results, with 30% of all students receiving an ATAR result above 90, and 58% above 80. Both of these results are the best they have been for Rostrevor since records began in 2005.

We congratulate the Dux for 2015, Isaac Nakone, for receiving the highest ATAR possible 99.95%, receiving 6 merits and a Governor's Commendation Award. Closely following was Darcy Pisani with an ATAR result of 99.35. These results from the 2015 cohort have definitely set a benchmark for the year 12s this year. We're all hoping to put in a huge effort to get the best possible results we can as we strive to maintain such a great standard. We aim to finish off our last year strongly and we will remember our College motto throughout the year, "Palma Merenti" - the reward to the one who earns it.

Not only is the college succeeding in the class room but also on the sporting field. The First XI Cricket team coached by Mr Bill Trewartha had a magnificent victory over our rivals Sacred Heart during our Intercol match. The final result Rostrevor 5/122 defeated Sacred Heart 9/121. Some of the impressive results with the ball included, Ned Mackay (3 wickets), Patrick Shrestha (2) and Murphy Short (2). Murphy Short also performed with the bat, making 54 and Harrison Rahaley chipped in with a handy 31. Murphy Short was a much deserved winner of the George Arnfield Medal.

As the year of school spirit, the Prefects organised and ran their first spirit assembly for the year which was a great success. We hope to emphasise the Red and Black pride within the College throughout the whole year. The school has set the benchmark for itself at the swimming carnival with some outstanding school spirit shown. We want to inspire this not only in a sporting context but daily by taking pride in being the best we can, respecting ourselves, our teachers and contributing positively to the wider community. I wish everyone a successful school year.

Thank you

God Bless

Bradley McCarthy
Head Prefect

Salutations College community

EPHESIANS 4:3 states "Make every effort to keep the unity of the spirit through the bond of peace"

As the term comes to a conclusion, it gives me great pleasure to congratulate each and every one of you in regards to your commitment our great College. Term 1 was filled with lots of pride and passion only achieved with each person's unique and devoted contributions. 2016 is the year of "School Spirit" at Rostrevor, and in order to conjure up a sense of school spirit in the students, we had to come up with an idea.

Last Wednesday night, I was blessed to see my guitar idol, "Noel Gallagher's High Flying Birds" at the Adelaide Entertainment Centre. Through one of his engaging riffs, it got me thinking, what can we, as a College Community, do that can promote not only our school spirit, but also inclusively accommodate various other Catholic schools to ideally create an atmosphere where everyone is unified under a harmonious heartbeat. The answer to this enlightened endeavour "Battle of the Bands".

Hosted on Friday the 13th May 2016 from 6pm to 8pm "Battle of the Bands", hosted at Rostrevor College in conjunction with Catholic Education South Australia, to help promote the importance of "Catholic Education" in

Catholic Education Week, this event will host various Catholic schools from across Adelaide, showcasing everything from Rock Bands to School Choirs and Stage Bands with musical styles to satisfy everyone's taste. As an added bonus, the Rostrevor College Rock Band will be playing some awesome anthems with a surprise special guest. In addition, College students will be hosting a barbeque, the perfect way to evoke a sense of unity. So we implore everyone in the community to write the date into your planners and diaries and to tell your friends.

This one will be one to remember. Let's unite as one and show what "School Spirit is all about".

In addition, remember to finish the term strong and keep all the positive momentum going, as perseverance often determines the outcome.

Steven Oh
Deputy Head Prefect

BOARDERS WEEK

PREFECT ACTIVITIES

Guy Hutchinson
Head Boarder

Dylan Smith
Internal Service Prefect

Boarders Week

A new initiative established by the Rostrevor College Community in 2016 was Boarders' Week. The aim of the event was to recognise the contribution that boarders have within the Rostrevor College Community, and to laud and learn about their respective origins. It was a week that day boys had the opportunity to socialise and welcome new boarders that were unfamiliar to our Morialta municipal. Boarders play a pivotal role in the success of Rostrevor College both academically and through co-curricular, and certainly from a boarder's perspective, "We are the heart and soul of Rossi boys."

Within the construct of Boarders' Week the occasion endeavoured to focus on the native homelands from which we each hail. Each day of the week focused on a specific region of origin, which was showcased in the Valley. Boarders were required to give a brief summary of themselves and provide a brief illustration of their home town, which was complimented by a self-portrait to be put on display.

Monday focused on the South-East region of South Australia, while Tuesday and Wednesday focused on both the Yorke and Eyre Peninsulas. Uniquely, Rostrevor Boarding is the schooling destination for many indigenous students, which diversifies us from many other Boarding schools in the state. This allows boarders at Rostrevor to live within a diverse cultural environment and socialise with men that they may not particularly mix with elsewhere. Therefore, Thursday's regional focus was the Northern Territory, home to many of our indigenous lads.

Friday marked the closure of Boarders' Week, however this not without a celebration. Boarders Week was commended with a country themed barbeque in the Valley which associated the whole Rostrevor Community. Included in this event was country music, a good old, "sausage on the barbeque and bread and sauce" and a country motif complete with hay bales and goats roaming the transformed Valley. Conclusively, Boarders' Week successfully accomplished its primary intentions, setting an exciting precedent for an annual week of inclusivity and connectedness.

Term 1 Initiatives

This term, the Prefects have been extremely busy participating in many activities in and out of school.

The Prefects have been actively participating in Smart work sessions which are run every night after school from 3:15- 4:15. In these sessions the Prefects provide guidance and support to students who are struggling with aspects of their study and need a helping hand to understand elements of tasks, etc. These sessions not only provide students with assistance, but they also provide students the ability to interact with the Senior students of the school and the ability to forge relationships with them outside the classroom.

On Friday the 4 of March, Rostrevor held the first of 4 socials for the year. Held on the outside basketball courts on a balmy Autumn night, the Prefects controlled the social superbly with a strong 700+ crowd in attendance, one of the largest socials Rostrevor has ever held. Some of the activities that the Prefects were in charge of were at the gate marking off people as they came in, serving refreshments with Mr Vlad, patrolling the dance floor, taking care of the cloak room, etc.

While it is a time for students between years 8-10 to interact with girls from different schools, it is also the major fundraising initiative for the Indian Pilgrimage. Funds raised from the socials are

taken over with the group to give to orphanages in India where the Pilgrims visit and assist.

The traditional Prefects' Netball match between Loreto College and Rostrevor took place in front of a hostile Loreto crowd. This match always attracts a lot of attention and is well supported by both Colleges. The Rostrevor boys came out firing from the start and jumped away to a big lead, with Jackson 'the sniper' Moloney sinking some brilliant goals and Keanu 'the panther' Eliepa controlling the mid court. Unfortunately, Rostrevor were robbed of victory due to some dubious officiating and the classic "last goal wins" rule that ultimately sunk the gallant Red and Black.

Great fun was had by all involved and a staggering \$140 was raised from gold coin donations which went to project compassion.

Finally, big congratulations to Mr Bill Trewartha and the First XI Cricket team who had a brilliant Intercol win against nemesis Sacred Heart. The win capped off a long, tiring, but successful term of cricket.

Intercol Netball Both Loreto and Rostrevor Prefect groups line up in the traditional netball fixture

GURR

O'BRIEN

MURPHY

James Snowball
Gurr House Captain

As our first term comes to a close I look back and realise just how much has happened in the short eleven weeks of school. The mighty Gurr house established itself as a force to be reckoned with amongst the College community after taking the school swimming carnival in its stride. It is my firm belief that some dodgy scoring by none other than the infamous Glen Urbani lead to our demise after coming second to Egan by an unreliable margin. Despite being robbed of a prestigious first place for the second year, Gurr House moved on, upholding our belief that we truly are the best house at Rostrevor.

The rest of the term flew by, the election of our vice captains brought a welcome addition to our leadership team and meant that we could now begin working towards our goals for the year as a complete team.

Our pastoral care initiative, intended to boost our donations to Project Compassion, saw a respectable contribution by the boys, and I was humbled to see just how much my peers are willing to donate.

A quote driving me this year is one by Thomas Edison. "Many of life's failures are people who didn't realise how close they were to success when they gave up." So to the parents, remember that we are teenage boys, and sometimes we need help to motivate ourselves, and to all you Rossi lads, remember to work hard now so you don't have to later.

Nathan Monda
O'Brien House Captain

It has been a successful start to the 2016 school year as a College and as a house for O'Brien. I would like to extend my congratulations to all the O'Brien House vice captains for this year and their families. I am looking forward to working closely with each of them.

This year has been labelled as 'the year of school spirit' and this sense of spirit and pride came to fruition at the annual swimming carnival held in week 5. Each of the O'Brien students fully participated in the day, with the major focus being that of house pride and supporting our boys. I was very delighted to see everyone up and about and I hope to replicate this atmosphere at the athletics carnival.

O'Brien house has also been taking part in fundraising initiatives through a successful barbeque held in the valley, with all proceeds going to Project Compassion and we were very pleased with the donations from all of the students.

Next term O'Brien house is hoping to continue the fundraisers to support our house charity. We, as a house, are looking forward to all upcoming events in the forthcoming term and I am ecstatic with all of their efforts thus far.

Yuri Sun
Murphy House Captain

It has been a great start to what should be a very productive year. Murphy House truly reflects our school spirit. We have achieved so much in such a short time and made incredible progress in sports, academic achievements and also community contribution. Our fellow students enjoyed a happy, friendly and productive time through the excellent and efficient and professional way in which the House performed throughout the first term.

Our first success came in week five-at the swimming carnival, in which we managed to come third. As you are aware, last year we finished a miserable fifth, so this is a fantastic improvement! Let's set our sights on maybe first or second next year. GO MURPHY HOUSE! (Shouted out in strong Asian accent). You know we can do it!

We fundraised for Project Compassion, organised by Caritas Australia. Murphy House accumulated a large total in donations from the House Colour Day and student donations. We also organised a walk-a-thon with Barron and Webb House which raised over \$4,000 to be shared between our house charities. Murphy continuing support for St. Patrick's Special School.

After a busy but rewarding term, I wish everyone in Murphy house a relaxing mid-semester break so we can return for a productive Term Two.

COLLEGE EVENTS

The College has many upcoming events in Term 2 and beyond:

Music Support Group Wine and Cheese Night 30 April

P&F Quiz Night 04 June

Pappadums in the Pavilion 18 June

For more information stay tuned to the College Website!

www.rostrevor.sa.edu.au

Walk-a-thon, In full swing as Murphy's Thomas Basso and Barron's Patrick Moller register their laps

BARRON

WEBB

EGAN

The completion of term 1 has seen many great prospects come forward within Barron house. With the participation of the Barron boys along with the rest of the school, Rostrevor flew off to good year with highlights such as Boarders' Week, Spirit Assembly, Swimming Carnival and The Walkathon Fundraiser.

Boarders' week saw the inclusion of many Barron Boarders that live at the school. To celebrate this large piece of the school, the prefects as well as the boarders organised a sausage sizzle, cooking up over 1,500 snags for students on the Friday.

The year of School Spirit involved the means of the spirit assembly, motivating many Barron lads for the Swimming Carnival to come. With no surprise, the involvement and action taken by Barron House members created a jaunty and electrifying atmosphere at the Swimming Carnival. With this engagement from the house, we then put it further to action with our yearly fundraiser of the walkathon. Gratitude sent to both Murphy and Webb houses for allowing us to join in and be a part of the fundraiser to which we were able to raise a large sum of funds donated to our House Charity, Edmund Rice Camps. So far it has been a great term, and Barron House are keen for what the rest of 2016 has to offer.

Its been a productive start to the year of house

spirit for Webb House, celebrating personal achievement, team efforts and collective acts of leadership. The first call to duty being the Rostrevor Swimming Carnival, which saw the personal development and achievement from a select few individuals. The team took a stand and gave it their all. Unfortunately, we placed 6th for the second year in a row, but the house was not disheartened having performed reasonably well. A special mention to the year 9's who filled multiple year 10 events due to lack of numbers.

With the swimming carnival out of the way, Webb focused on planning and preparing for their annual Walk-a-thon in order to raise money for their main charity, the Hutt Street Centre. For those unaware of what the Hutt Street Centre does, they raise money to feed, house and rehabilitate hundreds of homeless men, women and children in Adelaide every year. With thousands of donations and years of experience, they are able to do this all year round. So, on the 1st April in week 9, Webb house, along side Barron and Murphy commenced the "walk a mile in my boots" challenge, walking to achieve a total goal of 550km. To everyone's complete astonishment, the three houses collectively walked an extraordinary 1200km and raised over \$4,000, with more donations still to come!

Term 1 has been a very busy period for Egan House. We started off the term strong with the annual Swimming Carnival held at the Aquatic Centre. This event gives an opportunity for all boys to show off their house spirit and compete for the pride of their respective house. The boys in Egan proved to be a force to be reckoned with, claiming the overall first place shield along with the middle school trophy for the first time in many years. Being the year of School Spirit, it was exciting to see the tenacious and 'give it a go' attitude that was exerted by the Egan students when it came to filling in last minute events and encouraging those in the water through the plethora of chants. It was this overarching prospect that ultimately led the house to claim the Spirit Cup off the reigning champions, Murphy.

This term has also brought back the Friday Morning BBQ which is an Egan House initiative to raise much needed funds for Project Compassion and in the latter part of the year our house charity, St. Vincent De Paul. Along with the generous work of Mr. Vlad through his Chocolate sales and the individual Project Compassion collection boxes in PC, as a house we are well on track to reach our fundraising goals for 2016. The collective amount of money raised by Egan will be given to a representative of St. Vincent De Paul at the Social Justice Assembly towards the end of the year.

On behalf of the house, I would like to thank all the boys who have supported the Egan House BBQ, as well as commend those who have sacrificed their Friday morning sleep-ins to help out with this initiative. Your work has not gone unnoticed and is truly appreciated.

Furthermore, I would like to extend my congratulations to all students nominated by their peers and staff to lead Egan House as a Vice-Captain. I am sure these students will fulfil their roles and prove fundamental to the success of Egan.

Egan House, after a successful Swimming Carnival

HARMONY DAY

Matthew Del Corso
Social Justice Prefect

Good. Four letters. But what does it mean? Maybe it means that something is admirable or of a high standard or even righteous. But this leads me to pose the question: How do you define a good person? I see a good person as a man who embodies the teachings of Edmund Rice. Setting aside prejudices and his own ego, this man gave his life over to some of the most underprivileged people in society. This man was a good man. He is a man we must aspire to be. The men of change that form the Social Justice group are genuinely good men. It is the selfless devotion to some of the most underprivileged individuals of society, that the men in the group exhibit on a daily basis, that makes me proud and humbled to be able to work amongst these extraordinary men.

We are able to view the world in two lights every single day. Either a world of despair where actions make little to no difference, or a world where any action can change the lives of many. In the Social Justice group, we view the world in the latter. It is our belief that no matter how small the act we engage in, we are able to make a positive change in the world around us.

This term, we facilitated an initiative encompassing three key days; Harmony Day, Close the Gap Day and Bullying No Way! Day. As this included such a diverse range of topics, we determined that a common theme throughout was 'Harmony'. We formed the slogan 'Make Noise For Harmony' and orientated our initiative around this slogan. A mural was created using balloons, which spelt HARMONY, that students could come along to and pop the balloons – literally making noise. Inside each balloon was a fact about one of the three days and these facts sparked conversations about these pertinent topics which were continued at home and amongst friends. To demonstrate the diverse range of cultures at the school, we also played music of all different cultures.

The Social Justice group cannot wait for future events and we cannot wait for what this year has to offer!

Ishann Oak
Junior Years Vice Captain

Cameron Tunno
Junior Years Captain

2016. What a year so far. Events, community and most importantly, school spirit.

In just one term, we have already accomplished many wonderful achievements as a whole Junior Campus. 2016 has certainly been a year where amazing goals have been accomplished.

Murphy House had a convincing win in the Junior Years Swimming Carnival, a feat that hasn't been achieved in many years after Egan's domination. Representatives from Rostrevor Junior Campus will be competing in the da Vinci Decathlon, an academic decathlon where students show their academic strengths such as maths, code breaking, lateral thinking and chess. In addition, our musical ensembles are already in full swing and are already preparing for upcoming performances this year thanks to our Music Co-ordinator, Mr Elias Degeorge and our Music Captains, **Christian Corbo** and his partner in crime **Ashwin Abraham**.

Events such as the Father-son night have been a success. The evening was well attended by many boys with their fathers and male mentors, and all enjoyed a barbecue supplied by the Parents and Friends and games of cricket on the Bungalow Oval.

That isn't all, though, as many students have stated how much they have learnt this year. One

example was stated by Year One student **Miles Fotheringham**, "We have learnt a lot this term with Ms Furst, my favourite subject is English."

Our Junior Campus House Captains, **Aidan Schirripa, Marco Ceraccio, Sam Calo, Hugo Shute, Joel Condo and Marcus Pippicella** have been greatly honoured to go on events such the year 5 camp, which we can tell you first hand, was a difficult but rewarding learning experience. The year 5 cohort clearly enjoyed the camp, as stated by one individual **Jack Dundon**, "The camp was a really rewarding experience for me and all my friends."

We have also been fortunate enough to be exposed to the joys of having new teachers and staff, such as Mr Michael Monda and Ms Kate Parrish. We would also like to recognise some of our teachers such as Mr Michael Hingston and Ms Lauren Hanson who have changed their roles in teaching this year. Ms Hanson stated that she enjoyed it, "It is great to teach a new year level because I get to look at new curriculum and it is interesting to find out what younger boys like. It is good for me as I get to mix things up."

In conclusion, term one has been laden with mountains of success, and all the students along with the supportive teachers have no doubt that the rest of the year 2016 will be a huge success.

Harmony Week, Social Justice Prefect Matthew Delcorso helps a younger student pop a balloon to reveal a fact about either Harmony Day, Close the Gap or Bullying No Way! as a part of the 'Make Noise for Harmony Mural'.

PRINCIPAL'S BALL

Jackson Moloney
Community Activities

Thus far, 2016 has provided the Prefects with opportunities to display initiative and ingenuity. This has ranged from the newly created "Spirit Assemblies", to the construction of an inter-school Futsal competition that 'kicked off' on Friday 8th April. In addition to these newly implemented activities, the traditional Year 12 Principal's Ball has also been a great success. On 19th March the Year 12 cohort, partnered by their beautiful dates attended this event.

Before I elaborate upon the night's proceedings, a number of the staff, namely, Stefanie Caruana, Henry Critchley, Sandra Mestros and Evan Pezos should all be praised for their hours of hard work and dedication in the organisation of this event. Last, but by no means least, the Ellington's staff should be praised for their wonderful service and catering.

The night began with our Master of Ceremony - Principal Simon Dash opening up with a series of lines that each prefect 'supposedly' used to 'break the ice' to our dates. Following this was Head Prefect, Bradley McCarthy's address extending Mr Dash's welcome.

The remainder of the night consisted of the presentation of awards, lacklustre dancing from the boys and the consumption of food.

Another event the Prefects have participated in was the Harmony Day netball match against Loreto's prefects, held at Loreto. This is an annually held event between the Brother and Sister schools as a means of fundraising money for Project Compassion, a charity aiding third world countries. The event was a huge success, raising a considerable amount of money, and equally as importantly, the Rossi Boys looked good whilst out on the court. We have also planned a number of events involving Loreto, including their attendance at our up and coming Battle of the Bands, as well as our assistance at Loreto's recent Movie Night on 8th April.

The Prefects excitedly await the remainder of the year, aiming to further the already achieved success thus far.

rostrevorcanteen@spotless.com.au

Please note there will be some 2nd hand
uniforms available for sale each day.
All uniforms are in good condition and
reasonably priced.

Student Reports

For students who are eligible, a Grade Point Average (GPA) will be displayed on the top right hand side of the student report. The GPA is calculated by converting the A+ - E- grade scale to a 0-15 point scale for each subject. This is then totalled and converted to a percentage. The GPA is used to track student achievement which then allows us to more efficiently gauge progress. In the latter years the GPA is used to determine course selection.
