NEWSLETTER

Intercol, Simon Dash With 1st Captains (L-R) Josh Kildare (Basketball), Nathan Monda (Soccer) & Brad McCarthey (Football)

FROM THE PRINCIPAL

Dear College Community

With the Intercol weekend upon us, I took the opportunity to address students earlier this week about the College's expectations.

Our Intercol fixtures against Sacred Heart represent one of the great schoolboy sporting rivalries in Adelaide, but they are always played in the right spirit. It is a willing and at times fierce contest, but respect for the opposition is a hallmark of these matches.

Going into a contest, self-belief is a crucial ingredient. I was so impressed with the thrilling ANZ Netball Grand Final on Sunday which was teetering on the brink until the Firebirds got up in double extra time. In a post-match interview with the Queensland Captain Laura Geitz, a reporter asked whether they always believe they could win. The Captain's reply was simple, 'At this level you just have to believe. If you doubt yourself then you're gone.'

As I told students, 'If you believe, then you can achieve.'

Far more important than the result on the scoreboard is how we play the game. No doubt, we will win some and we will lose some and in a few years' time no-one will remember the scores. But our conduct on and off the field will be remembered. The Rostrevor legacy is sportsmanship and respect for our opponent. We play hard but fair. We win humbly and we lose graciously.

I encouraged all students to be great hosts: to wear their formal uniform with pride; to cheer positively; to respect the officials; and to respect their opponents. In doing so we will be continuing the legacy that has made us one of the most respected and admired schools in Adelaide.

I also implored our students to let that school spirit and pride flow over into how they conducted themselves each day at Rostrevor. Whether it is our conduct in the classroom, or our care for the grounds or how we conduct ourselves travelling to and from school, Rostrevor pride is a daily commitment.

The spirit we show at Intercol is far more than a one off event. It is a daily commitment made by our young gentlemen that will continue to shape the Rostrevor culture and continue the legacy of respect and self-discipline for the next generation of students.

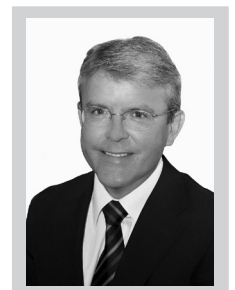

Go Rossi!!!!!!

Thank you.

God Bless

Simon Dash

Principal

ROSTREVOR
COLLEGE

CYBER-SAFETY PARENT EDUCATION PRESENTATION

Rostrevor College will be hosting a ThinkUKnow presentation on Wednesday 24 August starting at 7pm in the Kelty Theatre and all parents, carers and teachers are encouraged to attend.

ThinkUKnow Australia is a cyber-safety education program that educates parents, carers and teachers of how people are using technology, the challenges they may face online, and how to help them overcome these in a safe and ethical way.

ThinkUKnow Australia is a partnership between the Australian Federal Police, Microsoft Australia, Datacom and the Commonwealth Bank. The program is delivered in collaboration with policing partners New South Wales Police Force, Northern Territory Police, Queensland Police, South Australia Police, Tasmania Police, Western Australia Police, as well as Neighbourhood Watch Australasia.

The 90 minute presentation will be delivered by a local law enforcement member and an industry volunteer. The presentation covers issues relating to children and young peoples' privacy and security online, their relationships with other users and their online reputation. It provides insight into the devices young people are using, as well as the popular websites, apps and social networking sites they're accessing.

This is a fantastic opportunity for you to learn more about young people and the online environment, and how you can help them to be safe and responsible users of technology.

For more information, you can visit www.thinkuknow.org.au or contact Evan Pezos at the College: epezos@rostrevor.sa.edu.au.

ADAM PAGE: 'ARTIST IN RESIDENCE'

Multi Instrumentalist Adam Page will be the College's 'Artist in Residence' next week Adam will both perform and facilitate workshops with all years throughout the week:

**A CATHOLIC ALL BOYS' DAY & BOARDING
COLLEGE IN THE EDMUND RICE TRADITION**
Reception to Year 12

TERM 3

Frank Rinaldo
Deputy Principal

Welcome back

I hope that families have settled back in to school routines.

We have 'hit the ground running' with Year 12 Mid-Year Exams and Year 11 Retreats in the first week of school and this week commenced with a Spirit Assembly organised by the Prefects in preparation for the Intercol weekend, Subject Selection Assemblies, commencement of dancing lessons for some of our Year 10 students and our Career Expo last night. While it has been busy, it has been a very positive start to the term and we hope that the energy and enthusiasm with which students have commenced the term does not dissipate as the term progresses.

Report Reflections

At the commencement of each term, students in Years 7 – 12 work with their Pastoral Care teacher to review and reflect upon the academic results they achieved at the end of the previous term. This reflection should also involve a detailed conversation at home where your son will hopefully be honest in his assessment of not only his semester grades, but more importantly, his attitude to study, homework and behaviour in class.

Students, their families and our staff need to work together to make sure that the goals set are achievable and that all avenues for success are explored. Students must set themselves challenges, however, at the same time they must be undertaking courses that are best suited to their interests, abilities and stages of development. The role of the Pastoral Care teacher is also very important in this process, as they too share the responsibility of working with students to monitor this overall real-life development plan.

This semester, most students will be undertaking a number of new subjects. This fresh start is another opportunity to turn over a new leaf, if required, or to continue to develop a more thorough understanding of subjects they are undertaking with respect to future career choices. This is obviously very important in the senior years.

Prefect Selection Process

Last week Simon Dash and I met with our current Year 11 cohort to run through the Prefect Application process for 2017. All students were issued with the Application Package, which includes instructions, the Application Form and two Teacher Endorsement Forms.

The 2017 Prefect structure will be the same as this year. There will be six non-House Portfolio positions, including the Head Prefect and Deputy Head Prefect, Prefect – Head of Boarding, Prefect Social Justice Captain, Prefect – Community Activities and Prefect – Internal Services. There will also be an additional six Prefect roles associated with each of our six Houses, namely Prefect – House Captain.

We have developed Position Information Documents (PIDs) for each Prefect position which outlines in some detail the duties, responsibilities and expectations we have of students who may be interested in such a role. These have been made available via a Virtual Workspace which all Year 11 students have access to via the Student Portal. A detailed flowchart and timeline outlining the process is also available.

We hope that members of our Year 11 cohort, who have already served in some leadership capacity within one or more of our pillars (Academic, Spiritual & Co-Curricular) or have leadership aspirations, will give thorough consideration to applying for a 2017 Prefect position.

Pathways to Post Secondary Program and Service Learning

In the last week of Term 2, our Years 10 and 11 students were involved in our Pathways to Post-Secondary Program and Service Learning, respectively. The feedback received so far from members of our community and external organisations with regard to student engagement and demeanour has been very positive. Students represented themselves, their families and the College extremely well.

Success in Science - Thomas Roocke
Yr 11

The Pathways to Post-Secondary Program provided students with the opportunity to be exposed to a range of work, career and tertiary pathways and opportunities. This was well situated in terms of timing as we begin the subject selection process this term. An enormous amount of work went into planning and preparing the program and we must thank Chris Windle and other College staff who assisted with supervision or delivery of sessions.

With respect to our Year 11 students out on Service Learning, we also had many reports back from providers, indicating that our young men were not only well-mannered and efficient but immersed in the selfless giving aspects to their work. We believe this is one of the most important lessons we can provide in life for our students – that life is not all about them and that it is through the giving of ourselves to others that we start to develop an understanding of the real purpose of our lives.

Intercol Weekend

This weekend is our customary Sporting Intercol. Our annual clash with Sacred Heart College is one of the many traditional celebrations we look forward to at Rostrevor and wish all teams the best of luck in their respective sports.

National Youth Science Forum

Congratulations to **Thomas Roocke** who has been successful with his application to attend the National Science Forum (NYSF) in Canberra in January 2017. This event brings 400 young people to Canberra for a 12-day immersive science experience. The application process was rigorous and we believe that Thomas is one of only 10 who were successful from South Australia.

The NYSF helps students who wish to follow careers in science, engineering and technology by introducing them to research and researchers, by encouraging the achievement of excellence in all their undertakings, and by helping to develop their communication and interpersonal skills. It also fosters discussion of, and interest in major national and global issues and emphasises the importance of maintaining continuing active interests in sport, arts and music.

I have no doubt that Thomas will enjoy the experience.

YR 11 RETREATS

Br John Ahern
Assistant Principal
Religious Identity
and Mission

Term Three started with a surge of activity on Wednesday with all Year 11's lining up for the buses to head off for their retreat days. O'Brien House went to Toc H in Victor Harbor as did Barron who were at Adare. Just down the road at Pt Elliot, Gurr House settled into Youth Hostel overlooking Horseshoe Bay, Webb were at Normanville, Murphy in the Adelaide Hills and Egan House at McLaren Flat. The retreats all work at the notion that young men need to drop their masks and be genuine and real. A lot of the best work occurs in small groups where some deep sharing happens. As well as learning a lot about themselves, they also deepen their knowledge of each other and the teachers who are present. Each retreat has a liturgy on the final night which also incorporates affirmation of each other. I have received positive reports from all of the Houses and the Year 11 cohort is to be congratulated on their attitude and contribution to these retreats.

As well all of the RE classes in Year 11 are following up on their Service Learning experience with prepared talks about their placement and experiences whilst there. The growth that has occurred in during the past few weeks has been obvious and is preparing them to become an outstanding senior class next year. Marian Day is on the horizon and I hope that many parents will be able to join us for the Mass at 11am on Monday the 15th of August. We focus on the special role of women in our lives and society on this day as well as the special role of Mary in the life of our Church. Father James Valladares will be our celebrant for the Mass.

Blue Week 2015 - Students are all smiles during the 2015 edition of Blue Week

A heartfelt welcome is extended to all members of our College community at the beginning of an always busy Term 3. I hope that you had the chance to spend some valued time together as a family over the holiday break.

This term, at the forefront of student wellbeing initiatives is a focus on cyber bullying, mental health and positive parenting. Rostrevor College is pleased to announce the following student, staff and parent presentations

Blue Week

Term 3 Week 3

Monday 8th - Friday 12th August

The College Prefects will be hosting 'Blue Week' to help raise awareness of depression and anxiety, specifically in young men. Within the College, our Prefects aim to reduce the stigma associated with mental health and provide information to students who may be suffering or know someone who is experiencing a mental health problem. The College is proud to be involved in this initiative and will support the College Prefects in running events throughout the week.

SAPOL Student Cyber-Safety Presentations

Friday 19th August

SAPOL police officers will deliver an informative and relevant presentation to our Year 5-9's highlighting safety concerns for users of internet technology. There will be a focus on cyber-bullying.

ThinkUKnow R-12 Parent Cyber-Safety Program

Wednesday 24 August 7.00pm to 8.30pm

ThinkUKnow Australia is a cyber safety education program that educates parents, carers and teachers of how people are using technology, the challenges they may face online, and how to help them overcome these in a safe and ethical way.

Mark Le Messurier – R-12 Parent Education Seminar

Wednesday 21st Sept, 7.00pm to 8.30pm.

RAISING BEAUT KIDS offers typical tricky scenarios that parents often face at home with their children - accompanied with all the ingredients that fire things up! Then a set of 'Recipe Rescues' are offered: practical and far more creative ways to respond. The 'Recipe Rescues' are designed to help parents steer the behaviour of their kids (and their own behaviour) in more positive directions.

Society's use of social networking sites has developed exponentially over a short period of time as a medium to communicate. Whilst there are obvious benefits to using social networking sites, the misuse of this technology can manifest itself in many ways, particularly in a school environment.

Consequently, it is important that the College sets clear guidelines on how members of our community use this technology. Please find below references to the use of social networking sites taken from the College's Acceptable Use of ICT Policy.

SAVE THE DATE!

Free Parent Education Seminar

Seminar to be held Wednesday 21 September.

The following restrictions apply for social networking:

- Students should take care regarding identifying themselves with Rostrevor College on any site, including social networking. If students identify themselves with the College on any site or social networking application then care must be taken that they must bring no disrepute to the College.
- Access to social networking sites on the College network is prohibited.

The following are references to appropriate/inappropriate use of electronic communication;

- The sending of electronic communications containing explicit, offensive or inappropriate text or images are prohibited and must be deleted if received.
- The use of electronic communication or other network means, to deliberately harass, bully, intimidate, sexually harass, embarrass or infringe on an individual's right to safety is expressly forbidden.
- Electronic communication is not to be used to injure the reputation of the College nor cause embarrassment or bring the College into disrepute in any manner.
- Students are not allowed to capture, publish or upload any images of members of the School community without their prior consent. This includes images of oneself in College uniform or that are identifiable with the College or the College logo or symbols.

At all times we encourage students to make use of information technology available, but to do so in a mature, thoughtful and considerate manner.

New Boys - From (L-R) Emmanouel Pishas, Fabian Izzo and Joshua Disciscio

New Students and Families

I trust this finds you all well and keeping warm and dry!

Term 3 has started and I commented to the boys at our recent Junior Assembly that they all seemed well rested and somewhat eager to return to school. Some even had a slight tan – perhaps a symptom of finding some sun over the mid-year break! I hope the holidays were a time for families to enjoy each other's company and to share time together.

Rostrevor Junior School is proud to offer a mid-year intake of Reception students and we are blessed to have had 3 young men join us for the commencement of their educational and spiritual journey, being a part of an R-12 College in the Edmund Rice Tradition. We heartily welcome these young men and their families to our proud school: **Joshua Disciscio, Fabian Izzo and Emmanouel Pishas**. It is indeed a credit to Ms Una Petrou, our Reception – Year 1 educator, that the boys have settled quickly and are already used to the routines and structures we have in place to keep them safe and to enjoy the learning experience we offer!

Special Event

I have written previously about our engagement with the Kidsmatter Framework and last year you may recall we gathered data from staff, students and parents/carers to inform our planning. Our aim is to introduce a range of strategies that will support all stakeholders at our school (students, staff and parents/carers) in learning about and understanding the concepts attached to social and emotional learning. One clear piece of evidence from around the world currently suggests that all children benefit incredibly from social and emotional learning – academically, socially, emotionally, spiritually and behaviourally. Staff here very much believe that if we support the development of the social and emotional areas of the brain, then academic results improve and children feel far more connected to the world we live in. This is indeed a challenge in the fast paced world we live in today.

We have determined a way forward as a collective staff group and one outcome has been the planned implementation of several programs and ideas that we hope will aid this development. To that end we will be launching, as part of the College's 'Blue Week' next week, a very special program based on building and developing resilience amongst our boys.

We will be holding a special assembly next Thursday 11th August at 2:00pm in the Callan Hall. I won't offer any hints right now (at the risk of blowing the surprise!) however all of the boys are aware that 'something is coming!' The letters 'BB' seem to be circulating around the Junior School and we hope the boys will appreciate a new initiative! All of our community members are most welcome to attend!

Whilst I mention assemblies, Kate Parrish has sent out, via email, a roster of assemblies for this term. We run them each fortnight from 2:30pm and change the days to enable parents/caregivers to attend when work permits. On alternate weeks we take the boys down to the College Chapel on Monday mornings from approx. 8:35am and each of our classes has the opportunity to lead the Junior School in prayer.

Future initiatives

I look forward to advising all members of the community of some exciting initiatives in coming weeks. Watch this space!

Mr Geoff Aufderheide
Director - Junior Campus

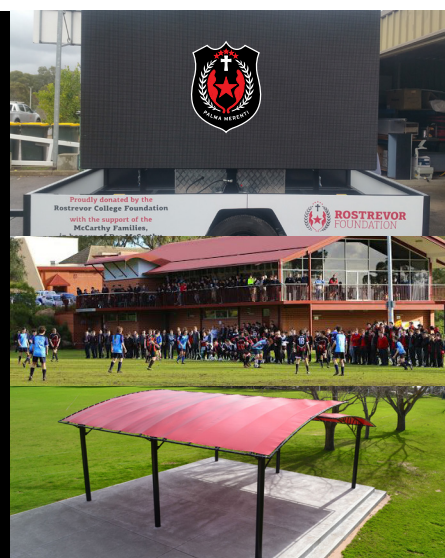

Note: Time Change

2016 INTERCOL
YOU'RE INVITED TO THE OFFICIAL OPENING & LAUNCH
Saturday 06 August - 2.00pm, Main Oval

Join us as we officially open our new pergola, funded with assistance from the Parents' & Friends' Association and the Whyte family from Pergolas of Distinction, and launch our electronic screen, donated by the McCarthy families and the College Foundation.

The P&F will be running a BBQ and opening the Kiosk for the duration of all matches. The recently established student support group will be close by to cheer on our sportsmen, as will our supportive staff and the Sacred Heart College community - we hope to see you there!

**THIS IS A COMMUNITY EVENT AND IS STRICTLY ALCOHOL AND SMOKE FREE.

Three million Australians are currently experiencing anxiety or depression. Because this affects all of us, we're equipping everyone in Australia with the knowledge and skills to protect their own mental health. We're giving people the confidence to support those around them, and making anxiety, depression and suicide part of everyday conversations. And as well as tackling stigma, prejudice and discrimination, we're breaking down the barriers that prevent people from speaking up and reaching out.

We're here for everyone in Australia – at work, home, school, university, online, and in communities across the country.

SKI TRIP

Flynn Pisani
Year 11
Egan House
Vice Captain

In the first week of the school holidays, 27 Rostrevor Students from Year 10-12 embarked on a week long Ski Trip to Falls Creek in Victoria. With much excitement, the boys boarded the bus on the first Saturday night of the holidays on what would be a 15-hour long bus ride. After many late night pit stops, we finally arrived at our alpine destination, with many boys feeling the effects of two hours of sleep. However, nothing could tame the excitement of seeing snow for the first time giving us the energy to push through, collect our skis and hit the slopes on Sunday afternoon. The rest of the week began with a morning lesson followed by free skiing for the rest of the day where we could practise our new skills on progressively harder runs. The blizzard conditions were a challenging experience that was more than compensated by the brilliant quality snow and the perfect blue sky conditions on the final days.

Overall, it was an experience that the group will never forget. It was great to see the progression of boys who were complete beginners at the start of the week being able to competently ski and snow board black runs by the end of the trip. Special mention must also be extended to our hosts for the week, Halleys Lodge, which only enhanced the experience with pool competitions and daily meet ups in the 'schpot'. To any of the boys who are contemplating whether or not to go next year, I strongly encourage that you do as I will forever remember the times I had up at Falls Creek. Finally, a massive thank you must go out to Mr Vickery, Mr Phillips, and Mr Hunt for putting in the time and the effort to be able to make something like this happen. Without their hard work, nothing would have been possible.

U14 Christian Brothers Ruby - Defeated top team, St Peters 71-19 highlighting their improvement this year

This weekend marks the 93rd Inter-Collegiate contest between Sacred Heart and Rostrevor College. The schools contest 3 cups over the course of the Weekend and the Br Bourke Trophy will be the first of these when the 1st XI soccer teams compete at 4.00pm on Friday afternoon on the Main Oval.

At 10.30am on Saturday, the Open A Basketball team will compete for Shanahan/Turner Cup in Purton Hall and then at 2.15pm the 1st XVIII Football Teams will compete for the Jan Baldwin Cup.

Throughout all matches, individual players will have the opportunity to be recognised as the most valuable player and will be awarded as Inter-Col medalists.

It would be excellent to see plenty of support for all matches that are contested throughout the weekend and I look forward to seeing the Rostrevor boys compete hard, have fun and represent their College with pride.

Game Summary:

Our Round 9 clash v PAC at home was always going to be a tight contest. After getting the result against PAC in a very close finish in our last contest earlier in the season, we knew PAC would come with all guns blazing trying to reverse the result this time around. The game didn't disappoint. Despite the game being a low scoring affair, it was a very tight physical contest with both sides playing with high endeavour and intent on winning the contested ball. Both sides played with a strong defensive set up which made the game regularly rebound from end to end.

Rostrevor had a strong middle period of the first quarter where we had momentum but failed to make the most of this by regularly kicking to the opposition numbers in our front half. In the

second quarter, PAC started well and got out to an early lead before our boys showed some real character and fought back late in the term to kick a couple and go into the half time break with a small 4 point lead.

After the break Rostrevor built strong momentum in the 3rd quarter but again through poor foot skills and decision making going forward, repeatedly turned the ball over. The defensive aspect of our game was really positive restricting PAC to only 2 scoring shots for the quarter and keeping them to only 3 goals up to 3 quarter time.

The pattern of this game was following the script of the first clash earlier in the year and with light rain making conditions more difficult, the last quarter was going to go down to the wire. Like the previous game, PAC held dominance in the last quarter and we again had to defend our back half. We battled on manfully, repeatedly repelling the ball from our defence only to see it come back in again just as quickly. With 3 minutes to go PAC with the momentum hit the lead. Our boys again lifted in a desperate bid to produce an attacking play effective enough to get a score late in the quarter. Unfortunately we were unable to do this with the final script ending up showing us falling short by 6 points. In the end, PAC's better usage of the ball, our inability to establish a functioning forward line and our boys' lack of consistency throughout the game were the major factors towards the result.

It was very difficult to find better players across the 4 quarters as most of our players all had good moments and most had even battles against

their direct opponents. Consistency across the 4 quarters was an issue for all our players.

Xavier Cubillo was one player through the midfield who put his body consistently on the line and won his position well on the day. **Junior Grant** (First game on return from injury), **Guy Hutchison** and **Josh Richards** all had strong moments through the midfield as well. **Toby Pink** had a good battle in Ruck against a good opponent. Our Backline held up well all game with **Mihail Lochowiak** and **Lewis McCormack** having good battles against the opposition key forwards. Up forward we struggled to find a dominant player despite the boys battling hard.

We can be all really proud of the boys' attitude and effort. They never gave the game away at any stage and fought to the final siren. With a little more polish and consistency within their game, their hard work will be eventually rewarded.

Steve Symonds

(Rostrevor 1st XVIII Head Coach)

In other Co-Curricular News:

- 10A footballer **Joshua Shute** enjoyed a fantastic U15 Football carnival representing SA in every match, mostly as a high forward. The SA team made the grandfinal and were narrowly defeated by Victoria.

- Congratulations to 2013 old scholar **Malcom Karpany** who made his AFL debut for premiership points with the West Coast Eagles last weekend.
